

## Our Training

**SAFE SEAS, SAFE TRANSPORTATION, SAFE SHIPS** are secured only with **Quality Training**

Over 500 trainees every month, receive the benefits of a quality training provided in our new Training center, by highly qualified personnel dedicated to provide excellent services using the most modern technology available.

The Company's vision is to establish private owned Training Center in other countries to improve control of Seagoing Personnel.

## First to introduce TRANSAS PRO 5000 Simulator
