

Nautilus Pacific Maritime Training Center is committed to provide Excellence in Education and Training

About us

Established in 2012, NAUTILUS PACIFIC MARITIME TRAINING CENTER was conceived to provide and deliver quality training for the Philipino seafarers. In NPMTTC we firmly believe in a value formation of a world class seafarer through high standards of training and education.

Global Seaways through inroduction of high quality training practices aims to become the leading supplier of quality and competent seafarers in the Maritime Industry.

Excellence in Education and Training
